TIPS:

- ✓ To prevent the product from sticking to your hands, you should first apply a little olive oil.
- ✓ By dipping your tools in cold water, you prevent the Apoxie Sculpt from sticking to surfaces and you achieve maximum detail.
- ✓ Make new colors by mixing one of the A colors and one of the B colors.
- ✓ Easy to paint.
- ✓ Decorate with tiles, glass, beads, stones, gems, crystals, etc.
- ✓ Works great with gold leaf and mica powders.
