CLEAN-IT #11 SUPER CITRI-SCENT MOLD CLEANER

DESCRIPTION:

Price-Driscoll Clean-It #11 Super Citri-Scent Mold Cleaner is an easy to use cleaner for a variety of contaminants. #11 works well on warm dirty molds, tooling and machines to remove excess release agent, grease, oil, and fingerprints. #11 is biodegradable and fresh smelling.

Price-Driscoll Clean-It Mold Cleaners are formulated for use in the plastics industry for cleaning molds and also for cleaning tooling and equipment. Some of the cleaner-degreaser formulas are used in the auto industry and machine shops. Biodegradable formulas are available for the environmentally conscious user.
